

HARK Suggested Tuesday Net Script (6/4/24)

Hello! This is <name & call sign>, net control for tonight's Hassayampa Amateur Radio Klub net. We meet Tuesday nights at 7:30 P.M. on the Yarnell Hill repeater at 146.620 MHz, 162.2 PL. Everyone is welcome whether a HARK member or not.

This is a directed net. Please pass all traffic through Net Control. Stations with emergency or priority traffic may break in at any time. Is there any emergency or priority traffic this evening? (Listen)

The next club meeting will be Tuesday, September 10th at 6:30 P.M. at the Club House at North Ranch Escapees RV Park. The Club House is just on the right as you enter Escapees North Ranch, off Highway 89 just past mile marker 263, south of Congress. Wednesday lunches continue all year from 11:00 to 1:00 at the Hitching Post at Wickenburg Country Club. Everyone is welcome.

CHECK-INS:

Please give your call sign only, then when called, let us know how you are doing and give any QSTs. Please also indicate if you have items for the Swap so I may call you back.

Take check-ins (pause):

- HARK members?
- Who else would like to join?

Log all call signs to call back, then call EACH to check in. Make another call for check-ins after everyone is called. Do another round (optional).

QSTs:

Re-announce any QSTs and ask for any more.

SWAP:

Ask if anyone has any items to list for the SWAP...?

Note those who want to list something.

HARK Suggested Tuesday Net Script (6/4/24)

If listing an item or item(s), please...

- Give your name and call sign before announcing your transaction;
- If more than one item, tell us how many and describe each in detail including manufacturer, model, condition and price;
- Alternatively, if you have a Want, tell us what it is (item or information);
- Please end with your name, call sign, phone number or email address.

Call anyone who said they have SWAP items:

- Anyone else with SWAP items?
- Any more check-ins for tonight's Net?
