OLD BUSINESS

Question put before the club regarding Al Hintz - WQ8R suggestion that we support a radio club at one of the local schools. After a brief discussion it was decided that we needed input from the school before making a decision. Deferred until next month.

Membership: Larry Francis circulated a copy of the database master list for updates, corrections & changes.

Badges: Joyce Linnerud has several pending orders but due to illness they were not ready. She will have them at next meeting. Badges are still \$6.00.

Quartzfest 2011: Roy Shelso - W5RT reported they had over 400 people in attendance. There were a number of excellent seminars including presentations by Gordon West -WB6NOA. Event is growing!

NR La Fiesta Activities: Question put before the group about putting together another mini- field day. We need someone to chair and organize this activity. A list was circulated for volunteers to help along the parade route. Duane Grooms - KD0KYK is taking names to form a HARK baseball team or two to play in the World Series. He needs at least 9 people.

NEW BUSINESS

Next Month's Meeting: Need someone to take minutes as Secretary will be absent.

April Show & Tell: Looking for suggestions or volunteers with new things to see and/or do.

Amateur Radio Council of Arizona (ARCA): Read letter from ARCA inviting our club to become an affiliate. This council is a statewide organization comprised of amateur radio clubs from all parts of Arizona, working for the betterment of amateur radio statewide. Membership dues are \$20 per year with an initiation fee of \$ 5. Following a brief discussion a motion to join was made by Roy Shelso and second by Ron James. Motion passed.

New Members: Richard Reeve - KB0WWA and Edwin Poe - KF7JWM

Show & Tell: Following the meeting Doug Jarmuth & Pat Brown will demonstrate how Search & Rescue uses APRS.

Motion by Warren Ullberg to adjourn the meeting at 7:10 p. m., second by Roy Shelso. Motion passed.
