OLD BUSINESS

Wickenburg Hospital emergency radio station - Art Bross reports that the co-ax has been ran and hooked up to the antenna. Radio has been installed and tested. Additional testing will be conducted to confirm that they can communicate with the Maricopa Communications Group. Roy Shelso reports that the hospital, per Linda Brockwell, will be providing emergency back-up power to the radio location.

OLD BUSINESS contd:

Club Station Call Sign - Roy Shelso has contact name for obtaining information on getting call sign.

Donated HAM gear - Several suggestions were made regarding disposal of the donated gear. Decision made to 1) place value on the listed equipment and offer via the club website 2) auction the equipment off and 3) take it to a Hamfest. Equipment needs to be out of Duane Grooms garage by end of the month. Several members will be going up to retrieve the tower the weekend of April 21st. Proceeds from sale of the equipment will be used to set up a Club Station. President will send thank you to Albert Allison (N7CUL).

NEW BUSINESS
